Harper Eponymous

Words to Live By

E

pluribus

**fuck
you**

**Spacetime
is
curved.**

**There are
NO
straight
answers.**

You can't please
everyone,
so you've
got to please
yourself.

**The only
reason
the good
die young
is they're not
old enough
to be
bad.**

**The
darkest
of
nights
will end...**

**one way
or
another.**

**“Agree to
disagree”
means**

**“You’re too
fucking
stupid
to
argue
with.”**

If
god
had really written
the bible,
it would simply
say
“don't be an
asshole.”

Don't live in
black

and

white

**thrill
me**

Life
is having
one
foot
in the
grave.

Don't ask
questions
you don't want
to know the
answers to.

**Don't
look
back.**

**Think
horses,
not
zebras.**

42.

Love
is my
favorite
trick
of the
endocrine
system.

**I'm not an
atheist,
I'm
"deity-impaired."**

Never interrupt your
adversary
while they're making a
mistake

Fuck subtlety

You're 8 pounds of stupid in a 3 pound bag.

**Love really IS a
battlefield.**

**When you
lie down with
assholes,
you wake up in
shit.**

**All we really
need in this
life
is just
somebody
to blame**

People who **say** they have **all the answers** are either trying

to sell you a **boat with a hole in it** or enlist you in a **sex cult.**

**Use your
head.**

**It ain't just there
to hold up your
hat.**
